Ground was broken on April 15, 1964 and the first game was played April 9, 1965 when Milwaukee defeated Detroit, 6-3, in an exhibition game before the 1965 regular season began. Approximate cost of the Stadium was \$18 million. Architects were two Atlanta firms: Heery and Heery, and Finch, Alexander, Barnes, Rothschild and Paschal. General contractor was The Thompson and Street Company of Charlotte, N.C. and Atlanta. Permanent fold-away seats were added during 1976, increasing football capacity to its present level. More than 600 dugout level seats were added prior to the 1977 season.

Ted Turner

R.E. (Ted) Turner, Chairman, President and CEO of Turner Broadcasting System, Inc., the owner of the Atlanta Braves, has established a reputation as an innovative businessman and sportsman.

He has combined his enthusiasm for communications and sports to expand a small UHF television station into the most watched single channel in the United States. WTBS, Channel 17 in Atlanta, is known as SuperStation—TBS to cable viewers throughout the country. At the same time, primarily because of their exposure on the station, the Braves have followers in all 50 states and the Dominican Republic.

The dynamic Turner became owner of the Braves on Jan. 14, 1976 when National League owners unanimously approved the sale by Atlanta-LaSalle Corporation to Turner Communications Corporation, now called Turner Broadcasting System, Inc.

Under Turner's leadership, the Braves emerged into a club which won the National League West title for the first time in 13 years in 1982. Recently the Braves have concentrated more than ever on developing Major League players through their farm system and now have one of the most extensive minor league and scouting programs in baseball. Such current Braves standouts as Dale Murphy, Zane Smith and Gerald Perry are products of the team's farm system.

Turner has become a household word in the world of sports not only through his ownership of the Braves and basketball Hawks, but also because of his considerable achievements as a yachtsman.

Turner's most notable deed as a participant came in 1977 when he skippered "Courageous" to victory in the prestigious America's Cup races. He was named Yachtsman of the Year for the third time by the New York Yacht Club on the strength of those wins. He also won the award a fourth time, in 1978.

In 1986, Turner created the Goodwill Games, a summer, world class, international multi-sport event that will be held every four years. The first Goodwill Games, held in Moscow in July, represented the first time US and Soviet athletes have come together in a major, international summer competition since the 1976 Montreal Olympics.

It is in the field of television where Turner has almost revolutionized the industry. SuperStation—TBS now reaches 50 states, Puerto Rico and a Caribbean circuit. WTBS is carried into more than 43 million homes, 49 per cent of the nation's TV households. On June 1, 1980, Turner started Cable News Network, the first 24-hour all news television station. CNN reaches over 43 million homes across the nation and is available to viewers worldwide. A third Turner broadcasting system, HEADLINE NEWS, made its debut on Jan. 1, 1982. HEADLINE NEWS is a national, 24-hour, fast-paced news network operating in 30-minute cycles which reaches into more than 30 million homes throughout the U.S. Additionally, Turner is forging ahead in the telecommunications industry with his own original programming. Turner Broadcasting System is pioneering made-for-cable features including "Portrait of America", a five-year series of documentaries profiling each of the 50 states, and Jacques Cousteau specials.

Early in 1986, Turner negotiated the purchase of the MGM-United Artists communications giant, retaining the voluminous MGM film library to enhance WTBS' programming.

Turner's commitment to using television for the public good can be seen in his work as one of the founding board members of the Better World Society. Created in 1985, the Society is dedicated to the production and international distribution of television programs on critical issues that threaten the planet: nuclear arms, overpopulation and environmental degradation.

Turner was born in Cincinnati on Nov. 19, 1938. He attended Brown University where he was Vice-President of the Debating Union and Commodore of the Brown Yacht Club.

He began his business career as an account executive for Turner Advertising Company in Savannah, Ga. He became general manager of Turner Advertising in Macon, Ga., in 1960, at the age of 22 and in 1963, became president and chief executive officer of the various Turner companies with offices in Atlanta.

In 1970 Turner Communications Corporation merged with Rice Broadcasting, with Turner becoming general manager of the flagship station, WTCG (now WTBS), in Atlanta.

The Federal Communications Commission approved use of a satellite system in 1976 which allowed Turner Communications to beam WTBS's signal across the United States.

Turner is a member of the Atlanta Advertising Club, the Atlanta Yacht Club, and the Capital City Club.

Bill Bartholomay

Chairman of the Board

Bill Bartholomay, a lifelong baseball fan of the first order, has been Chairman of the Board of the Atlanta Braves since 1966. He has been involved with the team as a director or owner for 26 years. He led a group which purchased the then Milwaukee Braves in November of 1962 and moved the team to Atlanta in 1966. Prior to his involvement with the Braves, Bartholomay was a director and shareholder of the Chicago White Sox. During the 1985 Winter Meetings, Bartholomay was appointed to the National League Executive Committee, a three-man unit which works with N.L. President A. Bartlett Giamatti. Bartholomay serves as a trustee of the Major League Baseball

Players benefit plan, and serves on many other ownership committees.

Bartholomay won friends for the Braves all over the sports world when in 1968 he signed aged Satchel Paige to a contract so Paige could accumulate enough time to qualify for his pension. According to Bartholomay it was brought to his attention that Satchel Paige, "perhaps the greatest pitcher in the history of baseball, had been prevented for the bulk of his career, because of the color barrier, from playing in major league baseball. He had therefore not accumulated enough time to qualify for the pension. We made room on our roster to sign him on even though his age was well over sixty, which made him the oldest player ever to sign a major league contract."

Although best known for his sports leadership, Bartholomay wears many other hats in the business world. He is Vice Chairman of the Board of Frank B. Hall & Co. Inc., one of the largest international insurance brokerage firms, and Vice Chairman of the Board of Turner Broadcasting System, Inc.

Stan Kasten

President

Probably no one in sports administration wears as many hats so successfully as Atlanta Braves President Stan Kasten, who is in charge of the club's front office operations and works with General Manager Bobby Cox in building a winning team on the field.

When he was named the Braves' President and TBS Vice President for Sports Teams on Nov. 6, 1986, Kasten, 36, simply assumed more responsibilities for owner Ted Turner. As the Atlanta Hawks' President and General Manager, Kasten had already established himself as one of the top executives in the National Basketball Association. He was selected by his peers as the NBA Executive of the Year for the second straight time after the 1986-87 season. With Kasten in the front office, the Hawks had participated in the NBA playoffs eight of the last 10 seasons going into the 1987-88 campaign.

Kasten's association with Turner goes back more than a decade. They met at a Braves-Cardinals game in 1976 in St. Louis, when Kasten was celebrating his graduation from law school with a tour of Major League baseball parks. He soon was appointed in-house legal counsel for the Hawks and the Braves and served as the Hawks' Assistant General Manager for two years before becoming, at 27, the youngest General Manager in NBA history in November of 1979. He was named the Hawks' President in April of 1986.

Kasten's duties also include serving as a member of the Hawks Board of Directors and status as an Alternate Governor of the NBA Board of Governors. He was appointed a trustee of the Basketball Hall of Fame (Springfield, MA) in May of 1986. He speaks regularly to legal associations throughout the country and is on the Board of Directors of the National Sports Lawyers Association. He is a member of the Board of Directors of the Richard Allen Outreach Center, a crisis hot-line service. During his NBA years, Kasten has also served on the NBA's

KASTEN (continued)

Marketing Committee, the Player Pension Committee and the Expansion Committee.

Kasten was born February 1, 1952 in Lakewood, New Jersey, but grew up in the Freehold, New Jersey, area that also produced Bruce Springsteen. One of three children, Stan attended private secondary school in Baltimore and New York City. He began his college career at Rutgers but transferred to New York University. He graduated from NYU with a degree in Psychology, earned Magna Cum Laude honors and was chosen Phi Beta Kappa. He received a Juris Doctor degree from Columbia Law School and played outfield in the Jersey Shore Summer Baseball League during his law school years.

Stan and his wife, Helen, are the parents of three children, Alana (8), Corey (6), and Sherry (2). Prior to coming to the Braves, Kasten played softball in several leagues in Atlanta during basketball's off season. He is an admitted television addict and loves Italian food.

Bobby Cox

General Manager

Bobby Cox, named the Atlanta Braves' General Manager in October of 1985, is the man most responsible for shaping the team's operating philosophy. In addition to acquiring such veterans as Ted Simmons, Ken Griffey, Ozzie Virgil and Jim Aker, Cox and his staff have stockpiled the Braves' farm system with talented prospects through the draft and trades. The goal is long-term, consistent success.

When Cox joined the Braves' front office, he ended a 25-year, on-the-field career as a player, coach and manager, including a stint as Atlanta's skipper from 1978 through 1981. He returned to Atlanta from Toronto, where he had just completed four years as the

Blue Jays' manager.

While with the Blue Jays, Cox took a seventh place team and habitual cellar-dweller to within one game of attaining a berth in the 1985 World Series. Toronto lost game number seven of the American League Championship Series to the eventual winners of the World Series, the Kansas City Royals. For his efforts in 1985, Cox was named the Sporting News Major League Baseball Manager of the Year in a vote of his peers because "he withstood a severe challenge to win the A.L. East division championship with a team that had never won before." He also was accorded that honor by the Baseball Writers Association of America.

Bobby's baseball credentials are impressive. After 10 years in the minors and two in the majors as a player, Cox was named manager of the Yankee's single-A affiliate in Ft. Lauderdale in 1971. His teams never finished lower than fourth in his six years in the Yankee system. He won the Eastern League pennant and championship with West Haven in 1972. Cox also finished second twice and third twice in four years with Syracuse. In 1976 his team won the International League's Governor's Cup.

He joined the big league club in 1977 as a first base coach in New York before being hired to manage the Braves. During his four seasons in the South, he compiled a 266-323 record with a young and improving team and laid the groundwork for the franchise's success in 1982 when they won the National League West title. In 1980 he lead Atlanta to its best record since 1974, a fourth place finish with an 80-81 mark. The 1980 Braves were widely acclaimed as the most improved N.L. team and Cox received numerous votes for N.L. Manager of the Year. Only Luman Harris managed Atlanta longer than Cox.

He joined Toronto in 1982 and continued his successful managerial career by leading the Blue Jays to their best ever season to date (78-84) in only his first year behind the helm. In 1983 he skippered the team to an 89-73 record and finished third in both The Sporting News and UPI American League Manager of the Year balloting. He recorded his 500th major league win on August 14, 1984 in the second game of the season and led the Jays to a second place season, their highest ever finish prior to winning the division in 1985.

Cox received a reported \$40,000 bonus to sign with the Los Angeles Dodgers in 1959. He won the Pioneer League batting championship while with Great Falls in 1963, batting .337 with 19 home runs and 85 RBI. ... He led his league in fielding percentage on three occasions (1961 as a second baseman, 1963 and 1965 as a third baseman) ... He spent seven years in the Dodgers' system before being

COX (continued)

acquired by Atlanta in 1966. He was traded following the 1967 season to the New York Yankees and beat out Mike Ferraro, the Yankees' outstanding rookie in spring training, for the third base job in 1968. He batted .229 that year to make the Topps Rookie All-Star team. He lost his job to roommate Bobby Murcer in 1969... Cox was forced to retire at the age of 30 due to bad knees.

Bobby was born May 21, 1941 at Tulsa, Oklahoma. He graduated from Selma High School (Selma, Ca.) in 1959 and attended Reedley Junior College (Reedley, Ca.). He grew up in Selma, a farming community 15 miles south of Fresno, midway between San Francisco and Los Angeles... Cox and his wife Pam have three daughters, Kami (15), Keisha (18) and Skyla (6)... The family resides in Marietta, GA.

John Mullen

Assistant General Manager

The 1988 season will mark John Mullen's 30th year of service in the Braves' franchise. He originally began working for the Braves in 1947 in Boston, remaining with the team until 1966, then after a 13-year absence when he worked for the Houston Astros, Mullen returned to the franchise in 1979. In this, his 10th consecutive season with the club, he serves as the team's Assistant General Manager. In that role he aids General Manager Bobby Cox in contract negotiations and helps him through the complicated set of rules and paper-work requirements developed in baseball's collective bargaining processes through the years.

John's career in baseball began with the Braves' organization when it was based in Boston some 39 years ago. In fact, Mullen and broadcaster Ernie Johnson are the only current members of the organization who have served the Braves when the club was based in Boston, Milwaukee and Atlanta. John's original tenure with the Braves began in January 1947 after having taken a part-time position the previous month. He was Assistant Farm Director until May, 1953 when he became Farm Director for the franchise, which had vacated Boston for Milwaukee. During his years as Farm Director until 1966, John is credited with having signed many Braves players who developed into World Champions in 1957, National League pennant winners in 1958, and division winners in 1969. Some players signed under his direction include Hank Aaron, Eddie Mathews (both Hall of Famers), Phil Niekro, Johnny Logan, Del Crandall, Lee Maye and Mike Lum.

John left the Braves in Sept. 1966, when he went to work for the Houston Astros as Assistant to Director of Player Personnel and Manager Grady Hatton. At mid-season, he became the Assistant to the General Manager, the position he held until returning to the Braves in 1979. He returned to his former and favorite team as the club's General Manager, a post vacant because of the death of Bill Lucas, and a title he held through the 1985 season.

Throughout his return to his original organization, John has maintained the Atlanta Braves' philosophy of developing from within by having a strong minor league organization. This is a philosophy that has been adhered to since his primary years with the Braves. "Baseball has changed greatly because of escalating salaries and long term no-trade contracts," Mullen says. "But signing and developing your own players is still the best avenue for success. Trading has become less and less important." Nevertheless, John has been able to make player movements necessary to help make the Braves a contending team; chief among which, Mullen orchestrated player movements which helped to make the Braves the N.L. West division winners in 1982.

John's baseball background gives him years of experience in analyzing talent. In previous years with the Braves he oversaw the signing and development of players who worked their way up to the major leagues. While with Houston, Mullen spent most of his time scouting players in the American and National Leagues with the purpose of judging major league talent to assist in trading. It is the development of baseball savvy which makes John so valuable to the Braves' organization.

Mullen served four years in the U.S. Coast Guard during World War II. He and his wife Clair have a daughter, Kathleen, and two sons, Christopher and Richard. In his leisure time, John is a noted tenor.

BRAVE BITS

DID YOU KNOW ... The Braves franchise record for most RBIs in a game is held by pitcher Tony Cloninger. Cloninger drove in 9 runs on July 3, 1966 vs SF when he clubbed an NL record two grand slams in the game.

Henry Aaron

Director of Player Development

Hank Aaron, elected to Baseball's Hall of Fame in January, 1982, is in his 12th year as Director of Player Development for the Atlanta Braves. The greatest home run hitter of all time missed by just nine votes being the first unanimous choice ever in voting by the Baseball Writers Association of America. Aaron received 406 of a possible 415 votes for a percentage of .978. Only Willie Mays, who got 409 votes in 1979, received more votes in the annual election, and only Ty Cobb, who received 98.2 percent of the vote in the first balloting in 1936, received a higher percentage. Aaron along with Frank Robinson, was inducted into the Hall of Fame at Cooperstown, N.Y. on Aug. 1, 1982.

Following his playing career, Aaron joined the Braves' front office when he was named to his current post of Vice-President and Director of Player Development by club president Ted Turner on October 7, 1976. Hank ended his playing career as one of the game's immortals with the Milwaukee Brewers in 1976. In the past 11 years Aaron has overseen the development of many players instrumental in the Braves' 1982 National League West Division championship. Dale Murphy, who won back-to-back N.L. MVP awards in 1982-83, Zane Smith, Gerald Perry and Andres Thomas are just a few of the current Braves who came up through Atlanta's farm system under Aaron's direction.

In his 23-year major league career Aaron rewrote baseball's hitting record book. He holds more major league batting records than any other player in the game's history. Among his records are some truly amazing ones, including Most Runs Batted In, Lifetime, 2,297; Most Long Hits, Lifetime, 1,477; Most Total Bases, 6,856; and, of course, Most Home Runs, Lifetime, 755. His most famous home run came in Atlanta on April 8, 1974 when he hit his 715th, breaking Babe Ruth's seemingly untouchable record. He did it before 53,775 against the Dodgers' Al Downing. He also ranks second on the All-time list in At-Bats (12,364) and Runs (2,174), third in games (3,298) and hits (3,771), seventh in years of service (23), eighth in doubles (624) and 11th in singles (2,294).

On May 17, 1970, Hank became the first player to compile both 3,000 career hits and more than 500 homers. He is one of six players to ever hit more than 30 homers and steal more than 30 bases in a season, doing it in 1963. Hank played in the Major League All-Star Game 24 times, including the years 1959-61 when two games were played. He was honored as the National League's Most Valuable Player in 1957 and named Player of the Year by the Sporting News in 1956 and 1963. He played 21 of his 23 seasons with the Braves and was traded to the Milwaukee Brewers for outfielder Dave May and minor league pitcher Roger Alexander at the end of the 1974 season.

Aaron and his wife, the former Billye Suber, live in Atlanta. They have five children, Gail, Hank Jr., Lary, Dorinda and Ceci. Lary was a minor league outfielder for the Braves.

THE MANAGER AND COACHES

Chuck Tanner #7

MANAGER

HT: 6'1" **WT:** 200
OPENING DAY AGE: 58
BORN: July 4, 1929, New Castle, PA
RESIDES: New Castle, PA

Chuck Tanner, who has been a Major League manager for 17 consecutive full seasons, more than any other current skipper, enters his third year with the Atlanta Braves in 1988.

The 58-year-old Pennsylvania native ranks fourth in wins among active managers with 1,340, trailing California's Gene Mauch (1,901), Detroit's Sparky Anderson (1,611) and Seattle's Dick Williams (1,546). Tanner, 20th on the all-time list, needs 58 wins to pass Wilbert Robinson into 19th, 68 victories to pass Jimmy Dykes into 18th place, 74 to pass Miller Huggins into 17th and 83 to pass Al Lopez into 16th.

If there is one thing that characterizes Tanner's style, it is his positive outlook. He believes in his players and the ability of his team and can make the team believe in itself too. Tanner is a highly respected strategist, who has picked up managerial maneuvers from everyone he has been around and will use a little of everything in his game plan.

Chuck's enthusiasm and receptiveness to players, media and fans make him one of the game's most popular managers. In returning to Atlanta, Tanner came home to a group of fans who took him to heart once before when he was a favorite while playing for the Atlanta Crackers from 1952-54. In fact, Tanner is linked historically in the record books with Atlanta several times. In addition to being the only man to defeat manager Ted Turner on April 12, 1955, Tanner made his Major League debut for the Braves as a pinch-hitter in the eighth inning and homered on the first pitch off Cincinnati's Gerry Staley. He became the 5th player of only 11 overall ever to homer on the first pitch and 24th player of 50 overall to homer in their initial at-bat. Coming into the 1988 season, no National League player has homered on the first pitch of his first at bat since Tanner. Tanner is one of only 3 players to homer on the first pitch in their first major league at-bat while in a pinch-hitter's role.

Tanner began his 42-year professional baseball career in 1946. Originally signed by the Boston Braves, he performed in the outfield with the Milwaukee Braves, Chicago Cubs, Cleveland Indians and Los Angeles Angels. Chuck went on to play 396 major league games and compiled a lifetime .261 average before leaving the majors as a player in 1962. His professional playing career didn't end however, until 1968 when he appeared in one game as a pinch-hitter while managing in El Paso.

Tanner's managerial career began with Quad Cities in 1963 when he was hired by Roland Hemond to skipper the California Angels Class A Midwest League entry. In 1968 he led his El Paso club to the Texas League Championship, and took Hawaii to the PCL playoffs in 1970, losing to Spokane in a four game sweep.

He began 1970 piloting Hawaii of the PCL but wound up making his major league managerial debut with the Chicago White Sox on September 14. Hemond had been named general manager of the club in the final weeks of the season and imported Tanner to take over from a struggling Don Gutteridge (Billy Adair served as interim manager from September 3 until Tanner's arrival).

Tanner lost his first game, 5-4, to Minnesota and managed only a 3-13 record the rest of the way with a club that was 53-93 when he took over. Better things were to come, however. Tanner led the White Sox to a third place finish in 1971 and pushed them to an 87-67 second-place finish in 1972. For his 1972 leadership, Chuck was named The Sporting News' Major League Manager of the Year. In 1976 Tanner moved to the Oakland A's and put together an 87-74 second place record in his only season there. On November 5 of that year Tanner was traded to the Pirates for catcher Manny Sanguillen and \$100,000 cash to Charlie Finley.

TANNER (continued)

In 1977 Tanner brought the running game to the Pirates' high powered offense and led the Bucs to a 96-66 record and a second-place finish. The next year, the Pirates mounted a surge on the Eastern Division leading Phillies, coming back from an 11½ game, fourth place deficit on August 12, and getting as close as one game out on September 19, before the Phils clinched on the season's next-to-last day in head-to-head competition with the Bucs. For his amazing '78 season, Tanner was named Manager of the Year by Baseball Bulletin.

The high point of Tanner's career came in 1979 when he led the Pirates to a 98-64 Eastern Division Championship regular season finish (most wins by a Pirate team since 1909), a three-game sweep over Cincinnati for the National League pennant and a World Series win over Baltimore, four games to three, after falling behind three games to one.

A native of New Castle, Pa., outside Pittsburgh, Tanner is a graduate of Shenango High School where he was a 10-letter star in baseball, basketball and football... Chuck and his wife, Babs, have four sons; Mark (37); Gary (34); Brent (30) and Bruce (26), a professional pitcher... Chuck's hobbies include golfing and listening to music.

Tony Bartirome #50

POSITION: Coach
HT: 5'10" **WT:** 175
OPENING DAY AGE: 55
BORN: May 9, 1932, Pittsburgh, PA
RESIDES: Bradenton, Fla.

After 19 years in the Major Leagues as a trainer, Tony Bartirome wore a Major League field uniform for the first time during the 1986 season. Bartirome, an outstanding first baseman who was signed to his first professional contract by the Pirates' Pie Traynor on February 8, 1951, works with Braves' first basemen on their defense, serves as a bunting instructor and is the team's "eye-in-the-sky", setting defenses during games. When he left the Pirates after the 1985 season to join Chuck Tanner's coaching staff, Bartirome had the longest continuous service to the Pirates of anyone in the home dugout, having joined them in 1967.

Bartirome's affiliation with baseball began in 1951 with Hutchinson where he batted .282 with five home runs and 54 RBI over 123 games in the first year he was drafted. He was promoted to Pittsburgh's big league club in 1952. In his only major league season, Tony batted .220 with no homers and 16 RBI in 124 games and played the entire season without grounding into a double play.

Tony's big league career was cut short by a two-year stint in the U.S. Army in 1953-54, but he returned to professional baseball in 1955 and ended his 11 year professional playing career as player coach with the Pirates' Triple A Columbus club in 1963. In 1964, Tony began his career as a trainer and stayed with Columbus in that capacity until 1967 when he joined Pittsburgh.

Tony and his wife Carol make their off-season home in Bradenton, Fl. They have one son, Anthony (6-29-61), a graduate of the Duke University Law School. Tony's hobbies include playing cards and watching old movies. He can recite dialogue from numerous films of the 1930's, 40's and 50's.

Al Monchak #52

POSITION: Coach
HT: 6'0" **WT:** 185
OPENING DAY AGE: 68
BORN: December 22, 1919 in Bayonne, NJ
RESIDES: Bradenton, FL

Al Monchak has been a coach for Chuck Tanner during his entire career in the big leagues. Monchak began his major league coaching career in 1971 when he joined Chuck Tanner with the Chicago White Sox. He served as Tanner's first base coach and defensive instructor from 1971 through the 1984 season.

Monchak was out of uniform, handling an assignment as advance scout for the Pirates in 1985. He re-joined Tanner on the field again beginning in 1986 serving as the team's infield coach while sharing duties at first base with Willie Stargell and assisting Tanner in the dugout.

Al began a promising professional career in 1937, but three years (1943-45) of military service and a serious playing injury curtailed his chance at stardom. Al played a total of 17 years of professional baseball as an infielder despite reaching the big league for only 19 games with the Philadelphia Phillies in 1940. He handled duties as player-manager in 9 (1949-57) of his 17 years in pro ball. In his first managerial season, 1949, he not only managed the Odessa Club, but also batted .335 and led the Longhorn League in runs (147), home runs (35) and stolen bases (36).

Al continued to manage in the minor leagues until 1962 when he became a scout and farm system instructor with the California Angels. He remained in that position until joining Tanner's staff with the White Sox in 1971. He moved with Tanner to Oakland in 1976 and again followed him to the Pirates in 1977.

Al and his wife, Audrey, have two children: Alex Jr. (5/13/53) and Trona (1/22/58). His hobbies include photography and winter sports. The Monchaks live in Bradenton, Florida in the off-season. Al had a benign abdominal tumor removed on 7/30/86 and then rejoined the team in mid-September with a clean bill of health.

Bob Skinner #4

POSITION: Coach

HT: 6'4" **WT:** 218

OPENING DAY AGE: 56

BORN: October 3, 1931 in La Jolla, CA

RESIDES: San Diego, CA

Bob Skinner brings two decades of experience as a coach and manager to the Braves on top of a successful 12 year playing career. He first became a batting instructor in 1970 while with the Padres and continues in that role this year, his 10th straight year of working with Chuck Tanner. Skinner and fellow hitting coach Willie Stargell both work with Braves' outfielders. Skinner also is the Braves' first base coach.

As a player Skinner compiled a .277 lifetime average with 103 home runs and 531 RBI in 1,381 games with the Pirates, Reds and Cardinals between 1954 and 1966. A two time All-Star outfielder/first baseman with the Pirates, Bob was traded to Cincinnati in May 1963 and was dealt again in June 1964 to the St. Louis Cardinals.

SKINNER (continued)

Bob batted over .300 four times in his career and is one of 10 players to hit home runs onto or over the rightfield roof at Forbes Field; he accomplished it twice (1958 and 1962). Skinner also played in two World Series, 1960 with the Pirates and 1964 with the Cards.

After finishing up his playing career with the Cardinals in 1966, he entered the managerial ranks as the skipper of the Phillies' Class AAA San Diego club in 1967. In his first year as manager, Bob led San Diego to the Pacific Coast League championship. Bob opened the 1968 season at San Diego but was named interim manager of the Phillies on June 16 when Gene Mauch was fired. Skinner compiled a 48-59 record as the Phils' manager in 1968, and put together a 44-64 mark in 1969 before being replaced by George Myatt on August 7th.

Bob returned to San Diego in 1970 as a coach with the Padres and remained there throughout 1973 before becoming the Pirates' third base coach and batting instructor in 1974.

He stayed with the Pirates until 1977 when he returned to the Padres. On May 29, 1977 Bob had a one-day stint as a manager when John McNamara was fired. In 1978, Skinner went to the California Angels as their batting coach and then returned to the Pirates in 1979 as batting instructor.

Bob and his wife Joan have four sons: Mark (10-22-55), Craig (6-11-57), Drew (9-16-58) and Joel (2-21-61), a Major League catcher. Bob enjoys golf during the off-season.

Willie Stargell #8

POSITION: Coach

HT: 6'3" **WT:** 230

OPENING DAY AGE: 47

BORN: March 6, 1941 in Earlsboro, OK

RESIDES: Pittsburgh, PA

Not only is Willie Stargell the new third base coach for the Atlanta Braves in 1988, he also is the newest member of baseball's Hall of Fame.

Stargell became the 17th player admitted to the Hall on his first try on Jan. 12, 1988, gathering 82.4 percent of the vote. He was the only player to be elected by the Baseball Writers Association of America this year, being named on 352 of the 427 ballots cast. The induction ceremony is scheduled for July 31 in Cooperstown.

Coaching third will also be a new experience for Stargell; he coached first last season and part of 1986, when he left Pittsburgh after a 27-year affiliation with the Pirates to join Chuck Tanner's staff in Atlanta.

Stargell's achievements as a player for the Pirates from 1962 through 1982 certainly are of Hall of Fame caliber. He had 475 career home runs (16th on the all-time list), 2,232 hits, 1,540 RBIs and a .281 batting average. He was co-Most Valuable Player with Keith Hernandez in the National League in 1979, when he led the Pirates to the World Championship and was named Man of the Year by Sports Illustrated and The Sporting News. The MVP of the '79 World Series, Stargell hit .315 with three home runs and eight RBIs in 54 career Series at-bats. He had five 100-RBI seasons and topped the N.L. with 48 homers in 1971 and 44 homers, 119 RBIs, 43 doubles and .646 slugging average in 1973.

The seven-time All-Star had four three-home run and 21 two-home run games, hit four homers into the right field upper deck at Pittsburgh's Three Rivers Stadium, slammed seven homers over the right field roof at Forbes Field and is the only player ever to hit a ball out of Dodger Stadium. The Sporting News and UPI named him Comeback Player of the Year in 1978, when he rebounded from an injury-plagued 1977 season to bat .295 with 28 homers and 97 RBIs.

Willie had several memorable moments involving the Braves in his career. He helped the Pirates win the first game ever played at Atlanta-Fulton County Stadium on April 12, 1966, when he hit a solo home run in the 13th inning off of Tony Cloninger to give the Bucs a 3-2 win... Stargell also picked up career hit #2,000 on September 3, 1978, against the Braves in Pittsburgh... He holds the record for most home runs in a season against one club with 11 vs Atlanta in 12 scheduled games in 1971.

Stargell has five children: Wendy (25); Precious (25); Dawn (23); Wilver Jr. (21) and Kelli (18)... He was an 8 letter man at Encinal High School, (Alameda, CA) participating in baseball, football and basketball before attending Santa Rosa (CA) Junior College. He is on the National Advisory Council on Sickle Cell Anemia, a position appointed by the President. In that role, he supervises groups who are involved in raising funds for research on the disease... He often lectures at colleges and universities in the off-season and in the past several years has done narrations to accompany symphony concerts around the country performing both at Carnegie Hall and at the Kennedy Center... Willie owns a restaurant in Pittsburgh called Ameri-Chin, which serves American and Chinese food and also owns a Pepsi-Cola bottling plant... Willie has aspirations to be a manager in the future.

His 42 steals were the most by a full-time first baseman since Rod Carew stole 49 in 1976 ... Perry is just the 3rd full-time first baseman since 1922 to steal 30 or more bases (Dan Driessen, Perry's uncle, stole 31 in 1977; Carew 49 in '76; and George Sisler had 51 in 1922) ... His 42 steals were good for 8th in the NL, highest ranking for a Brave since Butler was T#7 in '83 ... In addition to leading the Braves in steals, Perry topped the club in game-winning RBIs w/12 (T9 in NL) ... Perry's 35 doubles were the most by a Braves first baseman since Chris Chambliss had 37 in 1980 ... Had two 3-steal games and five 2-steal games ... Longest streak of '87 was 10Gs (July 20-30) ... Hit .300 or better against 3 NL teams, including a .433 clip vs St. Louis.

PRO CAREER: 1986—Named to International League All-Star team after superb season at AAA Richmond ... Earned IL Player of the week honors three times, only player to do so ... Enjoyed a 5-H game vs Rochester on April 20 and belted grand slam on May 10 vs Pawtucket ... Was leading the IL w/a .438BA, and 31 RBI on May 20 when called up to Atlanta, replacing the injured Claudell Washington ... Was sent back to AAA Richmond when Atlanta reactivated Washington; earned September promotion following Richmond's IL title ... **1985**—Spent the entire '85 season w/Atlanta and started at first base in 31 of the team's first 52 games before Bob Horner took over the position ... Struggled early at the plate and never recovered, ending the season w/a .214BA ... **1984**—Began '84 as Atlanta's left fielder, but by season's end was the Braves regular first baseman ... Was the Braves top pinch-hitter, batting .500 (8-16) w/8 walks ... Ranked 2nd on the club in walks (61) and 4th in games (122), runs scored (52), RBIs (47) and stolen bases (15) ... Stroked six straight hits (3 doubles) over a 3-G span (May 24-26) ... Enjoyed a 5-RBI game on September 20 vs Cincy ... **1983**—Earned IL All-Star honors ... Became 1 of only 3 AAA Richmond Braves to hit for the cycle on May 12 vs Tidewater ... Was 9th in IL w/a .314BA ... Went 5-for-5 in game vs Tidewater on July 1 ... Promoted to Atlanta in mid-August and doubled off San Francisco's Bill Laskey in his first ML at-bat, August 11th ... Just 11 days after his ML debut, Perry was named NL Player of the Week for August 15-21 ... Hit .400 w/1HR & 6RBIs in that week ... The HR was the first of his career and came off Chicago's Chuck Rainey on August 19 ... **1982**—Solid AAA season earned Perry the prestigious Bill Lucas Award, voted to the Braves top major league player ... Helped lead AAA Braves to its first IL pennant in 15 years ... Was Topps Player of the Month for July ... T#5 w/the 15 victories ... The 15 wins were the second most by a lefty in the National League in '87 (Shane Rawley had 17) ... One must go back to the 1965 season in Milwaukee to find a Braves lefty w/more than 15 wins (Wade Blasingame had 16) ... Registered 3 SHO — 2 vs NL West Champion San Francisco and the other vs Pittsburgh ... Fielded his position flawlessly, committing no errors in 58 chances for a 1.000 fielding pct ... That effort tied an Atlanta Braves fielding record held by Phil Niekro in '77 and David Palmer in '86 (minimum of 50 chances) ... During the first two months, Zane tossed a two-hitter vs the LA Dodgers on April 19 (first Brave to do so since Phil Niekro on 9/27/82) and fanned a career-high 12 on May 1 vs NY ... Was 2nd on Braves' staff w/139 strikeouts ... Suffered a 4-12 stretch from June 1 to September 9, including a 7-G losing skid ... Tossed a career-high 204.2 innings ... Allowed 8 HRs in '86, only 1 in his first 137.1 IP ... **1985**—In first full season w/the Braves, Smith was used as both a starter and reliever ... Finished season as a starter, going 4-1 w/a 1.32ERA over a 9-G span ... Placed on the 21-Day DL on August 4 and two days later underwent surgery to remove a lipoma (large fatty cyst) from his back ... Was reactivated on September 1 ... Tossed a 4-H shutout to best LA, 5-0, in his final start of the season ... Was 6-6/3.15ERA overall as a starter; 3-4/5.59ERA in relief ... **1984**—Began season at AA Greenville, was promoted to AAA Richmond, and finally saw himself make his ML Debut on September 10 at Houston ... Started and won his ML Debut, 3-1, tossing 6 innings (6H, 1R, 1BB & 4K) ... Was 1-0 w/Atlanta; 7-4 at Richmond; 7-0 at Greenville for a combined 15-4 record ... While at Greenville, where he allowed just 13 runs and 47H in his 60IP for a 1.65ERA, Smith tossed a two-hitter on April 19 vs Chattanooga and then a one hitter on April 24 vs Knoxville ... Tossed a three-hitter while at Richmond to down Rochester (July 23) ... **1983**—Led Carolina League hurlers in fielding pct (1.000), total chances (69) and assists (65) ... Tossed a three-hitter May 1 vs Hagerstown ... **1982**—Began pro career at Anderson, winning 5 games in 10 starts.

THE BRAVES IN THE WORLD SERIES

1914 — Boston 4 games, Philadelphia 0

Manager George Stallings' 'Miracle Braves,' who climbed out of the cellar in July to win the pennant, swept Connie Mack's great Philadelphia Athletics in four games. The Braves were built around the pitching trio of Dick Rudolph, Bill James and George Tyler and the second base combination of Johnny Evers and Rabbit Maranville. Catcher Hank Gowdy, who batted .243 for the season, had a .545 average for the Series, with a homer, triple, three doubles and a single.

1948 — Cleveland 4 games, Boston 2

The Braves under Billy Southworth won their first National League pennant in 34 years, but lost the Series to Lou Boudreau and the Indians. Gene Bearden, Navy veteran of World War II, was Cleveland's pitching hero. Bob Feller allowed Boston only two hits in the opening game but lost it to Johnny Sain, 1-0. Boston's only other victory was in the fifth game, 11-5, as Bob Elliott smashed successive homers off Feller.

1957 — Milwaukee 4 games, New York 3

Sensational Lou Burdette had three victories and pitched 24 consecutive scoreless innings to defeat a New York team that was making its eighth Series appearance in nine years under the leadership of Casey Stengel. Warren Spahn was the winning pitcher in Milwaukee's other victory. Eddie Mathews' tenth-inning homer won the fourth game after the famous Nippy Jones shoe polish incident. Burdette started the seventh and final game after Spahn was felled by the flu, and with only two days rest, pitched a 5-0 shutout.

1958 — New York 4 games, Milwaukee 3

The Yankees, gaining revenge for their defeat the previous, carried the Series to seven games and then won one of their greatest triumphs in Series play. They became only the second team in history to come from a three-games-to-one deficit and win the classic. Hank Bauer led the Yanks with ten hits and eight runs batted in, while pitcher Bob Turley won the fifth game, saved the sixth and won the seventh. Warren Spahn won two and Lou Burdette one for the Braves.

THE BRAVES IN THE CHAMPIONSHIP SERIES

1969 — New York 3 games, Atlanta 0

Atlanta became the first Western Division champion by winning 76.9 per cent of its games in September, finishing the year with a 93-69 record. New York then swept the three-game Championship Series from the Braves. The Mets scored five runs in the eighth inning to take the first game in Atlanta, 9-5. The following day, six Atlanta pitchers failed to stop the Mets as New York won, 11-6. Then, in the final game on Oct. 6 at Shea Stadium, Wayne Garrett's two-run homer in the fifth finished the Braves' hopes, with the final score, 7-4.

1982 — St. Louis 3 games, Atlanta 0

First year manager Joe Torre got the Braves off to a major league record 13 consecutive wins at the start of the season en route to the club's first divisional title in 13 years. St. Louis swept the Braves in the Championship Series as Atlanta was outscored 17-5 in the three games. The Cardinals exploded for five runs in the sixth inning to take the first game at St. Louis, 7-0. In game two the Cardinals scored single runs in the eighth and ninth innings to gain the win. The Braves returned to Atlanta for game three but could fare no better as St. Louis quickly scored four runs in the second inning in a 6-2 win.

BRAVES HISTORICAL HIGHLIGHTS

- 1901** — In the first year of so-called "modern" baseball, meaning the American League made its official major league entry, the Boston team finished fifth. They were led by Kid Nichols, who won 20 games as a pitcher and also played the outfield and first base.
- 1902** — Vic Willis and Togie Pittinger each won 27 games, but the club finished third.
- 1912** — The team acquires the nickname "Braves" for the first time at the suggestion of John Montgomery Ward. Before that, the team had been known as the Doves because of its owners, the Dovey brothers. It was also known as the Beaneaters and the Red Caps.
- 1914** — The Braves completed their miracle finish by coming from last on July 18 to win the N.L. pennant. They won 34 of 44 games in their drive to the top and finished an astonishing 10½ games in front of the second place Giants. The Braves then swept four from heavily favored Philadelphia to win the World Series.
- 1928** — Rogers Hornsby, playing for his third team in three years, hit .387 for the Braves and easily won the N.L. batting title.
- 1935** — Babe Ruth finished his career in a Braves uniform. Ruth homered in his first N.L. at-bat, off Carl Hubbell, but batted only .181 and, after seven more homers for a career total of 714, removed himself from the lineup in June and officially retired as a player.
- 1936** — The Braves name was changed to the Bees as a result of a fan poll. Five years later the club readopted the nickname of the Braves.
- 1938** — Casey Stengel managed his first of six Braves teams.
- 1947** — Johnny Sain and Warren Spahn each won 21 games for the third-place Braves. The team exceeded one million in attendance (1,277,361) for the first time.
- 1948** — This is the year that produced the phrase "Spahn and Sain and two days of rain" as Warren Spahn and Johnny Sain combined for 39 wins. Sain had a league high 24 as the Braves won the pennant but lost to Cleveland in the World Series. Al Dark batted .322 to lead the Braves in the regular season.
- 1952** — Eddie Mathews became the first rookie in major league history to hit 3 home runs in a game, accomplishing it on September 27.
- 1953** — The Braves played their first season in Milwaukee, attracting a National League-record 1,826,297 fans, and finished second. Eddie Mathews won the home run title with 47, and Warren Spahn led the league in pitching victories with 23.
- 1954** — Bobby Thomson suffered a broken ankle in spring training and forced the Braves to try a young infielder by the name of Hank Aaron in the outfield. Aaron batted .280 with 13 homers as the Braves finished third.
- 1956** — Hank Aaron won the batting title with a .328 average, but the Braves lost the pennant to the Dodgers on the final day of the season.
- 1957** — The Braves won the pennant and World Series. Hank Aaron was the league MVP, leading the N.L. in homers and RBIs, but it was late-season call-ups Wes Covington and Bob "Hurricane" Hazle who sparked the Braves to the flag. Replacing injured players, Covington hit 21 homers and Hazle batted .403 down the stretch. Aaron batted .393 and Lew Burdette won three games as the Braves beat the Yankees in the Series. Spahn won The Cy Young Award.
- 1958** — In the year the Dodgers and Giants went West, the pennant stayed in Milwaukee. Mathews and Aaron combined for 61 homers, Spahn and Burdette for 42 pitching victories to lead the way. However, the Yankees won the World Series four games to three.
- 1959** — It required a post-season playoff for Los Angeles to supplant the Braves as N.L. champs. Mathews led the league in homers with 46, Aaron in hitting with a .355 average. Burdette and Spahn won 21 games each. This also was the year Pittsburgh's Harvey Haddix pitched 12 perfect innings against the Braves only to lose the game on a homer by Joe Adcock in the 13th.
- 1960** — Aaron led the league in RBIs (126), Spahn in victories (21) but the Braves finished second to Pittsburgh.
- 1961** — Spahn again led the league in wins with 21, but the Braves fell to fourth.

The team finished with the worst ERA in the N.L. (4.19) and their highest since 1977... Eddie Haas began the year as manager but was replaced by Bobby Wine on August 26. Shortly after season's end, Chuck Tanner was named field manager, Bobby Cox general manager.

1986 — Entering the game on July 4th, the Braves were 41-37 and only 1½ games out of first place but both the offense and the pitching struggled through the rest of the season and the team finished in last place, 23½ games out, with a 72-89 record in Chuck Tanner's first year at the helm... In a year made for pinch-hitters, the 'Bomb Squad' batted .277 and drove in 53 runs. Chris Chambliss set a franchise record with 20 pinch-hits and moved into 10th place on the majors' all-time list for single season output. Ted Simmons' 18 pinch-hit RBI set an Atlanta record for production off the bench... Bob Horner hit four home runs in one game, only the 11th major leaguer to do so, but the Braves lost that game. They also lost a game in which the newly acquired Ken Griffey, who became the team's best hitter, slammed 3 home runs... Dale Murphy's consecutive game streak came to an end on July 9 after 740 games... On the pitching end, Rick Mahler had the distinction of posting both the most wins and losses for the Braves. Gene Garber had a stellar year with 24 saves and a 2.54 ERA.

BRAVES' BEST STARTS

In research dating back to 1900, Elias Sports Bureau found the following who got off to successful starts at the beginning of their season for the Braves:

Warren Spahn	8-0 in 1947, in 8 starts plus a no-decision in relief during that stretch.
Jim Wilson	8-0 in 1954, in 8 consecutive starts
Ed Brandt	8-0 in 1931, in consecutive starts, all complete games.
Larry McWilliams	7-0 in 1978 for best Atlanta start. He was not called up from minors until July 17 so this streak was not at top of season but was a win streak that began the season for McWilliams.
Rick Mahler	7-0 in 1985, in 7 consecutive starts
George Stone	6-0 in 1969, in 13 games with only 3 wins as a starter
Pascual Perez	5-0 in 1983, in consecutive starts.

ONE TO REMEMBER IN 1985

On July 4th (and 5th), 1985, the Braves played a 19 inning marathon game with the New York Mets, losing 16-13 to the Mets after 6 hours and 21 minutes of playing time. The highlight of the game came in the 18th inning when pitcher Rick Camp faced an 0-2 count with two outs and the Mets leading, 11-10. Camp sent the game into the 19th with the first home run of his major league career.... Here are some assorted records and facts about the game:

- The game ended at 3:55 A.M., 6 hours and 10 minutes — and 41 minutes of rain delay — after the first pitch was thrown at 9:04 P.M. — 1 hour and 24 minutes after the scheduled start. According to the best available data from Elias Sports Bureau, that was the latest a National League game had ever ended. The Phillies beat the Expos 6-1 in 20 innings on August 10, 1977 in a game ending at 3:23 A.M.... There are 3 other known games that ended after 3:00 A.M.; New York vs. Philadelphia on 9/26/75, ending at 3:15 A.M.; St. Louis vs. New York on 9/11/74 ending at 3:13 A.M.; and San Francisco vs. Philadelphia on 6/9/80 ending at 3:11 A.M.
- There were 615 pitches thrown by the two teams, 310 by Atlanta, 305 by New York.
- The 7 runs scored by the two teams in the 19th inning were the most since the Phillies and the Dodgers combined for 6 runs in that frame on April 30, 1919.... Also, the Mets 5 runs were the most scored by a N.L. club ever in the 19th inning.
- The 19 inning game qualified as the longest ever played in Atlanta Fulton County Stadium, surpassing two 18-inning games.... It was the second longest in Atlanta history, trailing a 20-inning 5-4 loss to Philadelphia 5/4/73.... It was the longest game in the National League in terms of innings since the Dodgers and Cubs played 21 innings on 8/17/82.... Going into the 1986 season, there had been 22 N.L. games lasting longer than 22 innings with the longest being a 26 inning game between the Boston Braves and the Brooklyn Dodgers that wound up in a 1-1 tie.... The longest game played to conclusion in the N.L. was a 25-inning battle won by St. Louis over New York on September 11, 1974.
- The 6 hours and 10 minutes in actual playing time was the longest accumulated by an Atlanta team, passing up the 5:16 minute/20-inning game they played on May 4, 1973 in a 5-4 loss to Philadelphia.... The longest N.L. game in terms of time was a 7 hour, 23 minute affair between the Mets and Giants on May 31, 1964 in a game won by San Francisco in the 2nd half of a day double-header. The longest night game was 7:04 in a 4-3 Cardinal win over the Mets on September 11, 1974.... The White Sox and Brewers played an 8 hour, 6 minute 25-inning game in 1984 (suspended and played over 2 days) won by the Sox 7-6.
- The longest game in organized baseball was a minor league contest between Pawtucket and Rochester on April 19, 1981. The entire game lasted 33 innings and covered 8 hours and 25 minutes of playing time. The game was suspended at 4:09 A.M. (51 minutes before sunrise) in Pawtucket with the score tied at 2-2 after 32 innings and completed at a later date.

1988 BRAVES' RADIO AND TELEVISION

The Atlanta Braves, WTBS-TV and WSB Radio join together again in 1988 to provide Braves' fans with the best in sports broadcasting. SuperStation-TBS is televising 135 games in 1988, including 68 regular season home games, 62 regular season away games and four spring training games. WTBS carries the Braves into more than 43 million homes throughout the United States and the Caribbean.

WSB-AM, which began its affiliation with the Braves when the franchise moved to Atlanta in 1966, again serves as the 50,000 watt flagship station of the team's radio network. The 100-plus outlets cover Alabama, Florida, South Carolina, North Carolina and Tennessee, in addition to Georgia. Braves radio will air all 162 regular season games, and 16 from spring training.

The broadcasters are veterans Ernie Johnson, Pete Van Wieren and Skip Caray and newcomer Bill Sample.

SKIP CARAY

Skip Caray, a seven-time winner of the Georgia Broadcaster of the Year award, enters his 13th season with the Braves in 1988. Caray also did play-by-play for the Atlanta Hawks for 14 seasons, is a former radio sports talk show host, broadcast Florida State football for one year and currently does National Basketball Association games for WTBS.

Skip and his wife, Paula, live in Atlanta. They have four children: Chip, Cindy, Shayelyn and Joshua.

ERNIE JOHNSON

Ernie Johnson again anchors the Braves' radio and television broadcasts in 1988. Johnson, who played for the Braves in Boston and Milwaukee and participated in the 1957 World Series, has been with the organization for more than 42 years. He worked as public relations director before assuming limited broadcasting duties in 1962 and becoming a full-time broadcaster in 1966. He served as the team's Director of Broadcasting from 1974 through 1985. Johnson was named Georgia Broadcaster of the Year for 1977, 1983 and 1986.

Ernie and his wife, Lois, live in Crabapple, Ga. They have three children: Dawn, Chris and Ernie, Jr.; and three grandchildren: Rebecca, Eric and Maggie.

PETE VAN WIEREN

Pete Van Wieren is in his 13th season as one of the voices of the Braves. He began his Major League broadcasting career with the Braves in 1976 after working as a play-by-play man for the Tidewater Tides of the International League for two years. He has also broadcast hockey, college and professional basketball and college and professional football. He was selected as Georgia Broadcaster of the Year for 1980.

Pete and his wife, Elaine, live in Tucker, Ga. They have two children: Steven and Jon.

BILLY SAMPLE

Billy Sample, a former Braves' player, is the newest member of the team's radio-TV crew. He brings eight years of Major League playing experience and a varied broadcast background to Atlanta.

Sample, who played for the Texas Rangers from 1978 through 1984, joined the Yankees in 1985 and concluded his playing career with the Braves in 1986. Sample's broadcasting credentials include work for National Public Radio and WNEW in New York, color analysis on Rangers' telecasts for KXAS-TV in Fort Worth and shows on New York's WFAN.

Billy and his wife, Debra, have two children: Nicki and Ian.

RULES OF INTEREST

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING AN EARNED RUN AVERAGE: Multiply the number of earned runs by nine; divide the total by the number of innings pitched.

QUALIFYING MARKS: To qualify for the batting championship a player must have a minimum of 502 plate appearances. To qualify for Earned Run Average Leadership a pitcher must have at least 162 innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all hits by the total times at bat (At bats do not include walks, sacrifices, hit by pitches, or times awarded first base because of interference or obstruction).

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING PERCENTAGE OF GAMES WON AND LOST: Divide the number of games won by the total games won and lost.

DETERMINING ON BASE PERCENTAGE: Add the total of hits, walks, and hit by pitches and divide by the total of at-bats, walks, hit by pitches, and sacrifice flies.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

DETERMINING THE MAGIC NUMBER: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DOCTORED BAT: If a filled or "doctored" bat is used, the player is to be ejected from the game and suspended three days. Any balls hit by an illegal bat do not count. If the umpire sees the illegal bat before it is used, he issues a warning, but there is no penalty.

DETERMINING A "MAJOR LEAGUE YEAR": 172 days constitute a full year in the Major Leagues.

THE GAME-WINNING RBI: The Game-Winning RBI is defined as "the RBI that gives a club the lead it never relinquishes." There does not have to be a Game-Winning RBI in every game because the winning run can be scored on a wild pitch, error, balk, etc.

RELIEF PITCHERS' SAVE RULE: A pitcher is credited with a Save when he meets all three of the following conditions: 1) He is the finishing pitcher in a game won by his club, and, 2) he is not the winning pitcher, and, 3) he qualifies under one of the following conditions: a) he enters the game with a lead of no more than three runs and pitches for at least one inning, or, b) he enters the game with the potential tying run either on base, at bat or on deck, or, c) he pitches effectively for at least three innings.

ROOKIE RULE: the Baseball Writers Association of America considers a player a rookie unless during the previous season or seasons he has a) exceeded 130 at-bats or 50 innings pitched in the Major Leagues, or, b) accumulated more than 45 days on the active roster of a Major League club, excluding military service, during the 25-man limit. The 25-player limit is in effect from Opening Day through August 31.

DAY GAME/NIGHT GAME: Any game scheduled to start after 6:00 p.m. will be considered a night game. If a game is scheduled to start at or before 6:00 p.m. and is delayed by rain or for any other reason it shall still be considered a day game. However, both games of a two-night doubleheader shall be considered night games. When afternoon and night games are played on the same day and separate admissions are charged, they will be counted as one day game and one night game and will not be considered as a doubleheader.

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

SUSPENDED GAME: A game becomes a suspended game if it is terminated for any of the following reasons: (1) a curfew imposed by law; (2) a time limit permissible under league rules; (3) light failure or malfunction of a mechanical field device under control of the home club (including automatic tarpaulin or water removal equipment; or (4) darkness because of any law, the lights may not be turned on. No game called because of a curfew or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game (see above). A game called under either provision (3) or (4) shall be a suspended game at any time after it starts. Note: weather and similar conditions shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the four reasons specified.

RULES OF INTEREST

Since 1980, if WEATHER forces the termination of a legal game while an INNING IS IN PROGRESS, it will become a suspended game if either of the following two conditions exists: (1) The visiting team has scored one or more runs to tie the game and the home team has not scored, or, (2) The visiting team has scored one or more runs to take the lead and the home team has not tied the score or taken the lead. If a legal game is tied when called because of weather and neither situation listed above prevails, it is a tie game and must be replayed in its entirety.

Suspended games shall be resumed at the exact point of suspension immediately preceding the next scheduled single game between the two clubs on the same ground. . . . If this is not possible, other provisions for resumption are specified in American League Regulation 3.8.

A game called at the END of a completed inning AFTER NINE INNINGS for any reason shall be a SUSPENDED game. This rule became effective in 1969. Formerly, the game would have been declared a tie and replayed in its entirety at a later date.

DISABLED LISTS: REGULAR DISABLED LIST: Maximum number of players on list at any one time—three (3). Minimum period of activity—twenty-one (21) days. Players may not be placed on the Regular Disabled List earlier than fifteen (15) days prior to the start of the Championship Season. SUPPLEMENTAL DISABLED LIST: Maximum number of players on list at one time—two (2) of which no more than one (1) may be a pitcher. Minimum period of inactivity fifteen (15) days. SPECIAL DISABLED LIST: Maximum number of players on list at any one time—one (1). Minimum period of inactivity—thirty (30) calendar days. Placements on this List are limited to Clubs who have two (2) players on the Supplemental Disabled List, and three (3) players on the Regular Disabled List, and subsequently incur an injury or ailment to a player whose estimated disability will exceed twenty-one (21) days, yet be less than sixty (60) days. EMERGENCY DISABLED LIST: Maximum number of players on list at one time—no limit. Minimum period of inactivity—sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season.

Waiver and Draft Prices

WAIVER RULES

Baseball's waiver year runs from November 10 to November 10 with three subdivisions: First Waiver Period—November 11–30th day of season; Second Waiver Period—31st day of season to July 31; Third Waiver Period—August 1–November 10.

To make a trade with any major league club, waivers are required only from August 1 until 5:00 P.M. EST on the day after the regular season ends. Waivers are not required the remainder of the year. In effect, the old June 15 trading deadline has been pushed back to July 31.

A player on waivers is offered to all other teams in reverse order of the standings. Waivers must be asked by 2:00 P.M. EST and expire at the same time after the waiver period ends. The claiming period has been reduced from six days to three days. There are no more individual league waivers, only major league waivers.

Unconditional Release Waivers can be asked at any time. Between September 1 to the 30th day after the opening of the next championship season, however, major league clubs must ask for Special Waivers before outrighting a player to a National Association team, thereby offering the player to all other teams for their major league rosters.

A player who has run out of options and has been outrighted may still be repurchased by the major league club and placed on its roster but cannot be sent down to the minor leagues again.

To compute which players need waivers before they may be optioned: if three years (less one for each previously spent on option) have elapsed since the player *actually reported* to the Major Leagues for the first time, waivers are required. The date of actual physical reporting will be used as the benchmark instead of the date the player was first placed on a club's 40-man roster.
